Vice Admiral J. V. Smith, USN  
Commandant  
Industrial College of the Armed Forces  
Washington, D.C. 20315

Dear Admiral Smith:

Thank you for the trouble you went to to explain to us the matter of the difficulties involved in greater CIA participation in the Resident Course at the Industrial College of the Armed Forces. Naturally we are disappointed that it will not be possible for the Agency to have an established quota of two civilian student spaces at the College, and we will appreciate receiving every possible consideration in the reallocation of unused spaces.

Sincerely,

[Redacted Signature Box]

HUGH T. CUNNINGHAM  
Director of Training
